RESILIENCE

Is the capacity to recover from difficulty with fortitude, perseverance, and buoyancy!

Stop by the Health Ministry display table in June and pick up some excellent @Care Notes and Aging brochures that can help adapt in new ways to address adversity and create a positive life.

Ask for help. Turn to your faith family, community networks, and friends.

MANY THANKS!

From: Georges Bitar & Family

Dear Pastor Rachel, Session, Mission Committee and all who donated the amount of Naturalization fees to Bitars who are applying for citizenship...

Thank you a million for being the wonderful partners and brothers and sisters in Christ. Your donation of the full fee made it easier and possible for us not to get in debt.

We are indebted to you in Love and many other things.
