Martin Luther:

The Idea that Changed the World

Monday Movie Matinee

October 28, 2:00 p.m.

Popcorn, Soft Drinks, Revolution!

In the Mountain Shadows

Church Sanctuary

In 1517, power was in the hands of the few, thought was controlled by the chosen, and common people lived lives without hope. On October 31 of that year, a penniless monk named Martin Luther sparked the revolution that would change everything. Follow the dramatic story of Martin Luther's life: the massive lightning storm that nearly killed him, the bleak self-punishment of his time in the monastery, the corruption that unleashed his anger, his trial before the most powerful man in Europe, and the staged kidnapping that helped him escape the death penalty. *This screening is brought to you in conjunction with Reformation Day by Mountain Shadows' Learning Ministry Team.*
