Food Prep At Cross Streets Community –

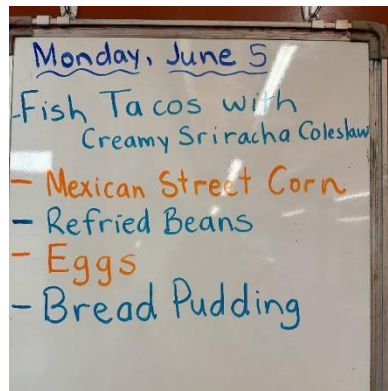

- **“Soup Kitchen” Assistance** -- This event occurs every month on the first Sunday beginning at 2:00 PM for about two hours. A group of 8-10 volunteers carpool to Southside Presbyterian Church to assist with prepping food to service to the homeless the following week on Monday and Friday. Because of the need to limit the size of the food prep group, there is a sign-up sheet available during fellowship following in-person worship. **Cross Streets Community** is a multi-faceted program for homeless people in downtown Tucson.
