

COVENANT NETWORK OF PRESBYTERIANS

Strengthening the Church
by seeking equity
for LGBTQIA+ people

ACCESSIBILITY

We care for those in need or crisis as they seek to navigate a church that is not yet fully inclusive.

- Answering phone calls and emails seeking answers, resources and help
- Traveling through the church to call for justice and proclaim hope

ADVOCACY

We speak out on issues before the General Assembly and Mid-Councils that affect LGBTQIA+ people.

- Organizing for church meetings where the church's faithful witness is at stake
- Promoting faithful public witness, filing briefs and promoting local engagement

Welcome!

COVNETPRES.CO

COVE
OF P

COMMUNITY

*We gather people and resources,
facilitating the exchange of wisdom
and relationships.*

- Resourcing candidates, call-seeking ministers, searching congregations and mid-council leaders

EDUCATION

We offer resources, training and proclamation—especially in our signature Covenant Conversations.

- Strengthening local communities in their work around inclusion, hospitality and justice-seeking
- Partnering with national church agencies and ecumenical partners to expand our witness
- Equipping a new generation of advocates and allies to work for safe and inclusive communities

COME JOIN US

...in bearing witness to generous hospitality and faithful justice.

Here's how:

- Encourage your congregation to join the Covenant Network of Presbyterians.
- Host a Covenant Conversation in your church or presbytery, or invite our leaders to speak, teach or preach in your context.
- Ask us questions and view our free resources to inform your own faithful witness in your community
- Support us financially, individually or through your church budget, to create these opportunities for others in the church

**COVENANT NETWORK
OF PRESBYTERIANS**

Help us equip
congregations
and councils to
widen their
welcome for all
God's children.
