

Ending Hunger

DANIEL L. ENGELJOHN

Mountain Shadows Presbyterian Church is designated as a Hunger Action Congregation in the Presbyterian Church (USA). We focus on what our small congregation of less than 100 active worshipers can do. To address immediate needs, we host numerous food donation drives

specific to non-perishable items. We address longer-term, structural solutions through how we spend our Mission Ministry budget. Perhaps most important is our sharing of the Lord's Supper each first Sunday of the month. This Holy Communion helps us all to give thanks to God for all that we have and to remind

us that all that we have is a gift from God that is intended to be shared. You can join us, whether a member or our congregation or not. Come, be fed. Come, share in community.
