Mountain Shadows Presbyterian Church,

Dear Mountain Shadows Presbyterian Church Members,

Impact of Southern Arizona's partnership with Mountain Shadows Presbyterian Church has contributed to better health, stability and stronger communities. We thank you and your members for your recent donation of 700 cans of meat. The meat will be distributed through our IMPACT bags to over 800 families throughout the month of April. We greatly appreciate your donation and continued support for so many years!

Your support plays a vital role in Impact's continued mission of moving people forward. Please know that those we serve are truly thankful.

We want to thank you again for helping us deepen our Impact on the communities we serve. You are a vital part of all we do.
